WITHDRAWL/DISCHARGE PROCEDURE

(initial)

The services at the Crisis Nursery & Respite Center are free, voluntary and short-term. If a termination or withdrawal is the best course of action the following approaches will be implemented. As a courtesy to the Crisis Nursery and to allow another family to use the services, as much advance notice of cancellation is appreciated. If a parent/guardian is terminating because of a concern, please inform appropriate staff.

In the event that both the Center and the parent/guardian agree that the placement of a child is inappropriate, the parent/guardian may terminate their child's participation with as much advance notice as possible.

In the event that the parent/guardian and the Center are unable to come to a mutually satisfying course of action after identifying and processing a concern, La Causa reserves the right to cancel the participation of the child for the following reasons:

- If a parent fails to observe the policies set forth by La Causa Crisis Nursery including, but not limited to the following examples:
 - Failure of parents/guardians to observe the rules of the Center related to the arrival and departure of their child or repeated failure of parents to pick up their child at the scheduled time.
 - Physical or verbal abuse of children or staff by parent or child.

If La Causa deems it necessary to terminate or deny service, the reasons for this will be given both verbally and in written form. If discontinuation of service occurs, a full review/investigation and discussion can be requested through the La Causa administration or President/CEO, as described by the Grievance Procedure. Prompt written notice of the final decision will then be given to the program participant.
